

WORKSHOP ON APPLICATIONS OF MATHEMATICS

MAY 16, 2017

Indian Institute of Technology Gandhinagar (IITGN) will be hosting a one-day workshop titled **Applications of Mathematics** on **Tuesday, May 16, 2017**. The aim of the workshop is to showcase the centrality of mathematical techniques in the solution of problems in a variety of fields such as fluid mechanics, mathematical finance, machine learning, and others.

MORNING SESSION TALKS

Saleh Tanveer

Mathematics, Ohio State University, USA

Sandeep Juneja

Technology and Computer Science, TIFR Mumbai

Chetan D Pahlajani

Mathematics, IIT Gandhinagar

AFTERNOON SESSION TALKS

Dinesh Garg

Computer Science and Engineering, IIT Gandhinagar

Nitin Khanna

Electrical Engineering, IIT Gandhinagar

K Chelvakumar

Mechanical Engineering, IIT Gandhinagar

An informal session following the afternoon talks

Participants are also invited to a **WORKING LUNCH** and an **EVENING DINNER**

Interested candidates are requested to submit their applications online at math.iitgn.ac.in/AppMathematics by **Saturday, May 13, 2017**.

Accepted participants will be notified by email.

ORGANISERS

Chetan D Pahlajani | Mathematics, IITGN

Jagmohan Tyagi | Mathematics, IITGN

K Chelvakumar | Mechanical Engineering, IITGN

Indranath Sengupta | Mathematics, IITGN
