

## Faculty Recruitment Webinar

- ❖ *The Discipline of Mathematics* at IIT Gandhinagar is looking for faculty applicants with a passion for teaching and excellence in research.
- ❖ Successful candidates will be expected to teach undergraduate and postgraduate courses, conduct independent research in their fields of expertise and contribute to Institute service.

We invite applications in all areas of Mathematics, especially in the fields of *Advanced Probability, Algebra, Analysis, Complex Geometry, Dynamical systems, Geometric Analysis* and *Mathematical Statistics*.

Scholars whose work is interdisciplinary are especially encouraged to apply.

### Want to be our next faculty member?

- ❖ Join us for a webinar on **Thursday 30th of April 2020 at 18:00 hrs (IST)**
- ❖ *What to expect in the webinar? We will discuss:*
  - Who we are, what we look for in a faculty applicant, what we aspire to be
  - The application process, usual timelines
  - What is on offer for a new faculty member and related queries.
